

MARCH 2022

## HSG INNOVATION TROPHY

### LEONTEQ SECURITIES AG | CVs

CELINE NIEDERBERGER

#### Professional background

Céline Niederberger has started her career in 2018 at Leonteq as an attendee of the Graduate program in marketing and is responsible for digital marketing since 2019.

#### Education

Céline holds a Bachelor and Master's degree in Business Administration and Marketing from the University of Bern.

Quote: "In 2022 connected and lasting communities are the way to go on social media, which is not always easy to achieve in the financial industry. I am excited to hear how the participants of the HSG Innovation Trophy view this topic and what strategies they develop and recommend to Leonteq."

MARION RUCH

#### Professional background

Marion Ruch has more than 20 years of experience in the area of Human Resources as Recruiter, HR Project Leader, HR Business Partner as well as Payroll Expert in the media and financial industry. She has been at Leonteq for 12 years and is currently assuming the role as Head of Education & Talent Management.

#### Education

Marion Ruch holds a Swiss Federal diploma in business management from Kantonsschule Zürich, a Swiss Banking diploma for high-school graduates as well as a Swiss Federal diploma as Certified HR Specialist.

Quote: " Diversity and inclusion are two terms that have become indispensable in a modern professional work environment. How can the participants of the HSG Innovation Trophy help us to tackle some of the challenges on this interesting subject?"

TINO WENDISCH

#### Professional background

Tino Wendisch has spent close to 20 years in capital markets. Prior to joining Leonteq in 2008, he worked at Commerzbank, Citigroup and Merrill Lynch in various structuring roles in London. At Leonteq, before becoming Head Crypto Offering in early 2021, he run the special solutions desk in charge of complex investment products.

#### Education

Tino Wendisch holds a Master's degree in Applied and Computational Mathematics from the University of Oxford and a Bachelor's degree in Mathematical Science from the City University of London.

Quote: " The HSG Innovation Trophy is an excellent way to see how students from an internationally renowned business university come up with solution in such a fast growing and innovative technology like the Blockchain."
